

## **Simple Attended Funeral at Wear Valley Crematorium**

**We ask for full payment prior to the date of the funeral for this service.**

This service is designed to be as economical as possible, whilst still allowing for a crematorium service. It is only available through Wear Valley Crematorium. The price includes a service at Wear Valley Crematorium which must take place at 9am or 5:30pm. The service includes music choices and a celebrant if required, but is limited to 30 minutes, including the time taken to enter and leave the chapel. It is possible to have a one-hour service at 9:30am for £895.

This service does not include the use of a hearse, and there is no option to add limousines. We will bring the coffin to the crematorium in our own vehicle, with a funeral director and two bearers who will bring the coffin into the chapel on a wheelable bier.

The price includes an eco-friendly bamboo and hemp coffin made locally, and visits to the chapel by arrangement as often as you wish within working hours (9am-6pm). You may also bring us clothes to dress the person in if you would like to.

We may charge for travel outside the Darlington area. The amount will be agreed in advance with the family depending on distance.

**There will be an additional charge if the cremated remains need to be delivered to an address in the UK by courier. This will be calculated on a case-by-case basis.**

**In the event that a larger coffin is required or that additional bearers are required, we reserve the right to make a surcharge of £100 for the coffin and/or £60 for each additional bearer.**
